- Lesions
- Hives / Eczema

Neurological

- Seizures
- Weakness / Paralysis
- Numbness
- Tremors

Immunologic

- Hives
- Itching
- Runny Nose
- Sinus Pressure

Financial Policy & Agreement of Responsibility

We are committed to providing you with the highest level of service and quality care. If you have medical insurance, we strive to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and understanding of our financial policy. Ultimately, any and all financial liability rests with the patient and their family.

Our office participates with most major insurance plans. We provide MEDICAL and SURGICAL services to our eye care patients. We DO NOT participate in ANY "vision plan." Therefore, if you have a managed care plan that requires a referral to see a specialist, you must obtain a referral for your visit in our office to be covered under your medical insurance. If you do not have the proper referral and still wish to be seen, you will be asked to pay for your visit prior to being worked up by our technicians.

PATIENT RESPONSIBILITY: It is YOUR responsibility to:

- Contact your insurance company to obtain co-pay, coinsurance/deductible information and verify that our physicians are participating, IN-NETWORK, with your insurance
- Provide our practice with correct and current insurance information on or before the date of service
- Bring all your current insurance cards to all visits
- Obtain your insurance referrals and understand your insurance policy

Co-payments, Co-insurance and Deductibles will be collected at the time of service as REQUIRED by our contract with your insurance company. We accept cash, personal checks, Mastercard, Visa, Discover, and American Express. Copayments are charged at the "Specialist" office rate. If you arrive unprepared to pay these required fees, we will need to reschedule your appointment. We do not accept post dated checks, and we do not accept attorney letters promising payment after settlement of accident and/or injury claims.

We appreciate and expect your prompt payment in full for any outstanding balance. If you are unable to pay a balance in full, please notify our billing department immediately. Any payment made by check that does not clear your bank account will result in a \$25.00 fee, which will be added to your account and must be paid before your next visit. Unpaid balances of greater than 90 days will be turned over to an outside collection agency for payment. Additional fees are assessed once an account is turned over to collections. A collection fee of 25% will be applied in the event Hughes Eye retains a collection agency. In the event Hughes Eye retains an attorney to collect any amount of an unpaid bill, whether or not a lawsuit is ever filed, patient will pay legal expenses, including without limitation court costs and reasonable attorney's fees.

Credit Balances: Our office will routinely refund credit balances pending full payment from your insurance companies. Patient balances less than \$25.00 will remain as a credit on your account unless a refund is requested. Despite efforts to refund credit balances, the balance will remain on the account for 3 years before adjustment.

Self-Pay patients: (Patients who have no form of medical insurance). Self-Pay patients will be required to pay fees at the time of service and prior to seeing the doctor. Fees are based on the cost of a basic exam and testing as indicated by the doctor. Full payment is required prior to surgical procedures.

Consent to Treat

I voluntarily consent to care and treatment as prescribed by the physician as is necessary in his or her judgement.

Agreement of Responsibility

I understand that professional services, diagnostic tests and other medical services rendered to the patient are the financial responsibility of the patient or the patient's guarantor (the responsible party in the case of minors). I understand that I am financially responsible for all charges not covered by my insurance company.

Release of Information Assignment of Benefits

I authorize use of this form on all my insurance submissions and authorize release of information needed to process a claim to any of my insurance companies. I permit a copy of this to be used in place of the original. I authorize the provider to act as my agent in helping me obtain payment from my insurance companies. I understand the provider does not accept responsibility for collecting my insurance claims or for negotiating a settlement in disputed claims. I assign any rights and claims for reimbursement of expenses allowable under my insurance plan and authorize payment directly to the provider for services rendered. I understand I will receive a statement for any balance due by me. I authorize Hughes Eye Group (West Tennessee Eye Associates), its agents, employees and affiliates to access my complete medical records for the purpose of billing and management functions .

Medicare Authorization (if applicable)

I request payment of authorized Medicare benefits be made on my behalf to Hughes Eye Group (West Tennessee Eye Associates), for any services furnished to me by that physician or supplier. I authorize the holder of medical information, about me, to release to Medicare and its agents any information needed to determine these benefits or the benefits payable to related services. I understand that my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If "other health insurance" is indicated in item 9 of the HCFA-1500 form, or elsewhere on other approved claim forms or electronically submitted claims, my signature authorizes the release of the information to the insurer to the agency shown. In Medicare assigned cases, the physician or supplier agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is responsible only for the deductible, co-insurance and any uncovered services. Co-insurance and the deductible are based upon the charge determination of the Medicare carrier.

I agree to the consent to treat, the agreement of responsibility and authorize the release of information assignment of benefits and insurance authorization as listed in detail above.
